Just a Little Time with Jesus

A song by C. D. Hildebrand 1988

*I'd been frustrated and condemned for years
By the rules and laws of man
That taught the only way God would hear
Was on my knees and at 6 a.m.*

*I would try with all my might
To perform this awesome task,
Trying to stay awake
Thinking this was doing as He asked.*

*When by weakness or by circumstance
I could not this law fulfill,
I would think that He was angry
And my life out of His will.*

*So I started to pray all day
Doing dishes or in my car
Trying to find my way
Back to the desire of my heart.*

*To my amazement He met me there,
And my spirit He set free!
Now, I'm thanking You, my Father
For this precious liberty.*

*It's so amazing what God will do
When we take the time to pray,
And just a little time with Jesus
Goes a long, long way.*

*There are burdens that we bare
That seem to never end.
There are sorrows we can't share
With even the dearest friends.*

*When we come to God in prayer
For one minute or for an hour,
His Spirit meets us there
Giving wisdom and bringing power.*

*It's so amazing what God will do
When we take the time to pray.
And just a little time with Jesus
Goes a long, long way.
Just a little time with Jesus
Goes a long, long-way.*
