

Healing Testimonies

Jesus, I Receive!

One Saturday morning, I woke up with a pain in my right side directly below my waste. I researched what it might be, and I was not pleased with the possibilities. If I sat still, it didn't hurt, so I thought maybe I slept on it funny.

The pain was intense when I tried to walk or move. This WAS NOT a good thing because that weekend we needed to get MUCH done in an apartment we were working on. The pain was becoming so intense, I wondered if I'd be able to continue working.

I turned to my hubby and said, let's pray, and we did. David commanded the pain to leave. I put my hands in front of me and said, "Jesus, I receive."

Instantly, the pain nearly disappeared, and by the end of the day was completely gone. There has been no hint of it since.

It seems we are hesitant in the area of healing. Instead of asking God to take care of things immediately, we sometimes wait until we are in dire need. We might have something "small" that can be easily handled by other means, so we don't think to ask, thinking we shouldn't bother God with problems we can solve ourselves. Yet, Jesus encourages us to ask. So, let's ask more often and sooner and see what God will do.

Matthew 17:20

Assuredly, I say to you, if you have faith as a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible for you.
